BELGARD IS THE  
COLOR AUTHORITY

Belgard is a pioneer in the use of color for hardscapes. Our rigorous R&D department continually researches design trends and refines processes for transforming locally sourced aggregates into rich color tones that maintain their beauty for a lifetime.

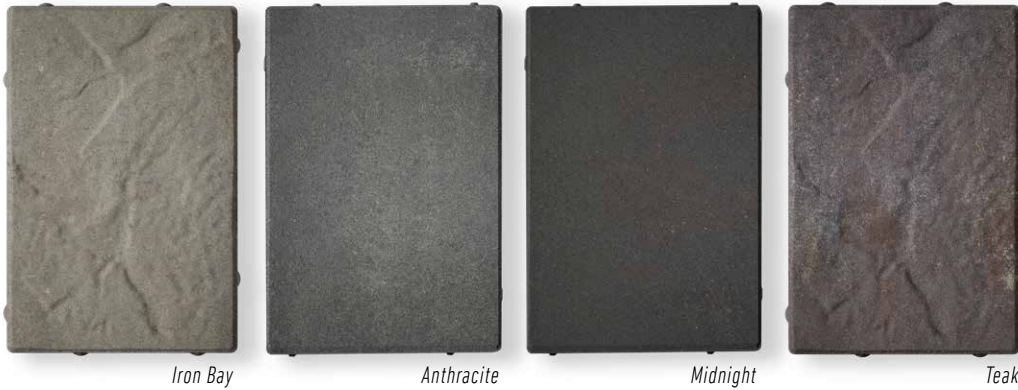

Featuring Dimensions & Origins in  
Shaded Gray & Ashbury Haze

Use color and texture to enhance your designs. For subtle accents, vary textures within the same color family. For a more dramatic effect, accent with a contrasting color. For heightened visual interest, vary both color AND texture.

DESIGN TIP

YOUR IMAGINATION  
HAS NO LIMITS  
YOUR COLOR CHOICES  
SHOULD BE NO DIFFERENT.

From rich, warm earth tones to grays and serene neutrals, we have the ideal shade and coordinating colors across our most popular styles to enhance your home.

Due to the natural materials in our products, colors may vary from those shown in our catalog. We recommend viewing actual product samples with your contractor to ensure you choose the perfect color and finish for your project.

## BUDGET CONSIDERATIONS

Construction projects rarely proceed exactly as initially designed and quoted. Unforeseen complications and decisions during construction can affect costs, which vary based on site conditions, project size, finishes, and more. Pavers and wall products may only account for 20% of the total cost. Choose products you'll enjoy long-term without compromising.

\*Depending on site conditions, design decisions and overall scope.

## CUSTOMIZING YOUR SPACE

Expanding the project footprint or adding features can raise costs but also significantly boost functionality and enjoyment. Popular upgrades include shade, lighting, fire features, and cooking areas. Work with your contractor to optimize your space within budget, explore financing options, or plan phased construction over time.
